You should leave your passports in a hotel safe and use another form of ID: e.g. driving licence or the passport photocopy.

You should maintain at least the same level of personal security awareness as in the UK. As in any other city beware of pickpockets and bag snatchers at airports, railway stations, around the town centre and when using public transport – only carry what you need and leave spare cash and valuables in hotel safety deposits.

Tap water in Skopje is drinkable.
