News story: VMD web services will be unavailable from 27 to 31 May

The following online application services will be unavailable:

Special Import Ceritificates

Special Treatment Certificates

You should obtain an import certificate in advance if you think you will need to import/use an imported medicine during this period.

In urgent cases you may purchase and use an imported veterinary medicine prior to obtaining a certificate from the VMD. This is a special dispensation which only applies to the VMD online system during this maintenance period.

You should obtain an import certificate retrospectively as soon as possible.

Research Import Certificates

Export Certificates

Microchip Adverse Event Reporting

Animal Adverse Reaction Reporting

Human Adverse Reaction Reporting

The following online information services will be unavailable:

Product Information Database

The systems should be operational again on Wednesday 31 May. The VMD apologises for any inconvenience.
