

News story: Webinar – 12 Dec – How to win work with the public sector

Farooq Mohammed is founder of es-p; a company he formed in the summer of 2012, inspired by the spirit and passion of the London Olympic Games along with the desire and 'instinct for winning' of Team GB. The company supports businesses, large and small, to secure contracts with the public sector. In this webinar, Farooq will offer top tips on identifying contracts, preparing bids, and securing contract wins.
