

Ninewells Community Garden event #dundeewestend

Let's Eat: Pumpkin
Thursday 24th October – 12 noon-2pm

A community lunch for all.

The theme for this month is pumpkin. Volunteer Jolanta Witkowska will show us how to prepare one of her favourite pumpkin recipes – please do bring along a recipe, or some food to share – with or without pumpkin!

A chance to learn some new ideas for the kitchen and catch up with garden friends old and new.

The sixth in a series of monthly healthy lunches and recipe swaps. All welcome – come and join us for a tasty lunch!

More details are available [here](#).
