

Ninewells Community Garden event #dundeewestend

AUTUMN GARDENING EVENT

Ninewells Community Garden is running a drop in gardening Q&A session particularly aimed at staff at Ninewells Hospital over lunchtime tomorrow.

If you enjoy gardening but lack the skills or have some questions that need answering, this event will be of interest.

The garden's wellbeing co-ordinator will be on hand in the garden to answer gardening questions and develop the skills of participants.

All welcome – it starts at 12 noon – and more details are available at www.eventbrite.co.uk/e/drop-in-gardening-qa-session-tickets-348020768487
