

Ninth batch of CoronaVac vaccine arrives in Hong Kong

A new batch (the ninth consignment) of about 1.4 million doses of the CoronaVac vaccine has been delivered to Hong Kong from Beijing today (March 15). Soon after the arrival of the vaccine, staff carried out stringent checking and inspection on the vaccine in accordance with established procedures to ensure that it complies with the product specifications and that the transportation process follows the relevant cold-chain requirements.

â€‹â€‹â€‹The Government has launched the COVID-19 Vaccination Programme. Members of the public are encouraged to get vaccinated. Details of the programme can be found at the designated website (www.covidvaccine.gov.hk).
