

North Korea ballistic missile launch: FCDO statement

News story

A Foreign, Commonwealth & Development Office spokesperson statement on North Korea's ballistic missile launch on 8 October.

A Foreign, Commonwealth & Development Office spokesperson said:

North Korea's decision to conduct another ballistic missile test on 8 October is a violation of UN Security Council Resolutions. The UK continues to work closely with our partners to urge North Korea to return to dialogue and take credible steps towards denuclearisation in a complete, verifiable and irreversible manner.

We call on North Korea to prioritise the well-being of their people instead of the illegal pursuit of nuclear and ballistic missile programmes.
