

Notice: River Thrushel, Tinhay, Lifton: flood defence improvements

The Environment Agency gives notice that it proposes to carry out improvement work to the flood defences on the River Thrushel in Tinhay, Lifton, immediately downstream of Tinhay Bridge (NGR SX 39368 85345).

The proposed improvement works will involve the construction of a new revetment wall in the channel on the left bank of the river and the reinstatement of the bank to protect the existing flood wall. The work will take place along the length of the flood wall (approximately 30 metres).

This is in accordance with Regulation 5 of the Environmental Impact Assessment (Land Drainage Improvement Works) Regulations 1999 as amended by SI 2005/1399 and SI 2006/618.
