[Nurturing HK's young tech talent](#)

     With the adoption of information technology (IT) in multiple sectors, the demand for tech talent is increasing.

     News.gov.hk spoke to secondary school students and see how advanced IT courses and activities under a government funding programme are fostering a new generation of tech talent.

     The story is available at www.news.gov.hk/eng/feature today (November 15) in text and video format.
