

Office of The Ombudsman press conference (with photos)

The following is issued on behalf of the Office of The Ombudsman:

The Ombudsman, Ms Winnie Chiu, held a press conference this morning (July 22) to announce the results of two direct investigation reports. The titles of the reports are "Effectiveness of Mosquito Prevention and Control by Food and Environmental Hygiene Department" and "Government's Arrangements for Engaging Outside Interpretation Services". Details of the reports can be found on the website of the Office of The Ombudsman:
