

Official Receiver tests positive for COVID-19

A spokesman for the Official Receiver's Office said today (December 21) that the Official Receiver, Ms Phyllis McKenna, has tested positive for COVID-19 through a rapid antigen test. She is undergoing isolation in accordance with the guidelines of the Centre for Health Protection of the Department of Health.

Ms McKenna last worked in office on December 20. She wore masks and followed relevant disease prevention measures at work. She has no recent travel history.

The Official Receiver's Office will conduct thorough cleaning and disinfection at the office concerned and will continue to implement disease prevention measures vigorously.
