## Only this government's distorted austerity agenda could lead to such contradictory policies — Debbie Abrahams

## Debbie Abrahams MP, Labour's Shadow Work and Pensions Secretary,

responding to the Government's announcement of jobcentre closures, said:

## "At a

time when the Tories are cutting social security and introducing sanctions for

low-paid workers, it's reckless at best and perverse at worst for the Government to close so many Jobcentres.

"Only this government's distorted austerity agenda could lead to such contradictory policies.

## "This

Tory Government's decision to close Jobcentres across the country shows they are not serious about helping people to find decent, secure and well-paid work'.
