

Consultation outcome: Amending environmental impact assessment regulations within transport

Updated: Consultation response published.

We are setting out proposals for implementing the [European directive 2014/52/EU amending directive 2011/92/EU](#) known as the environmental impact assessment. For transport the directive applies to the:

- [Transport and Works Act 1992](#) and procedure rules made under that act
- [Harbours Act 1964](#)
- [Highways Act 1980](#)
