

Open consultation: Litter and refuse: updating enforcement guidance

We want to know what you think about our guidance on proportionate and effective use of fixed penalties for littering and related offences. This guidance applies to England only.

The guidance is relevant for other environmental fixed penalty powers such as for abandoned vehicles, fly-tipping, parking, and offences related to domestic waste bins.

We committed in the Litter Strategy for England to publish improved guidance to promote proportionate and responsible enforcement. We intend to put this guidance into the Code of Practice on Litter and Refuse. Land managers in England have to have regard to this code.
