Take part in the seventh annual Groceries Code Adjudicator (GCA) survey of the groceries sector. The survey is an important source of information for the GCA about current retailer practices and changes over the past 12 months.

Open until 29 March, the survey allows the GCA to collect the most comprehensive set of views on current Code-related issues facing suppliers.

The GCA is seeking experiences and views from suppliers and others in the sector on how the regulated retailers are complying with the Groceries Supply Code of Practice. All information provided is treated in strict confidence.

Answers are collated and analysed by YouGov and respondents are not identified to the GCA without having given consent.

The results will be announced on the GCA website in June.

If you have any questions about the survey, please email enquiries@groceriescode.gov.uk.
