

Opening hours of Land Registry offices to resume as normal on February 18

The Land Registry announced today (February 16) that the opening hours of all of its offices will return to normal starting from this Thursday (February 18). Details are as follows:

(1) between 9am and 1.30pm from Monday to Friday, other than on a public holiday, for the purpose of delivering instruments for registration; and

(2) between 9am and 12.30pm and between 2pm and 5pm from Monday to Friday, other than on a public holiday, for other purposes.

To reduce social contact, customers may also deposit documents to be delivered to the Land Registry (excluding instruments to be delivered for registration) in the Drop-in Box located near the Information Counter on the Deck Floor of the High Block of Queensway Government Offices between 9am and 5pm from Monday to Friday, other than on a public holiday.

Members of the public are encouraged to conduct land searches through the Land Registry's online search service (www.iris.gov.hk) and use the Drop-in Box as far as possible. The Land Registry also appeals to members of the public visiting its offices to download the "LeaveHomeSafe" mobile app and use the venue QR code of "LeaveHomeSafe" displayed at the entrances. This is to align with the arrangement starting from March 1 that members of the public will be required to use the "LeaveHomeSafe" mobile app before entering government buildings or offices. For enquiries, please call the Land Registry hotline on 3105 0000.
