

Getting things done – Perth Road #dundeewestend

Residents recently contacted us about a number of potholes and road defects including the one pictured on Perth Road around the Invercarse Hotel entrance and just east of it on the north side of the road.

We reported this to the Roads Maintenance Partnership and received the following helpful response :

“An order has been raised for repairs to be carried out.”

Getting things done – Sycamore Place #dundeewestend

The state of the Sycamore Place road surface – especially the part between Balgay Road and Logie Avenue – is in really poor condition.

Last spring, we asked the council's Roads Maintenance Partnership if the road could be considered for the 2023/24 resurfacing programme.

We are pleased to now advise that it has indeed be added to the carriageway improvement programme for 2023/24.
