

Getting things done – Union Place #dundeewestend

Residents have highlighted with me the overgrown foliage around the Union Place car park and the need for a tidy up of the car park and surrounding area.

I have raised this with the car parking and environment teams at the City Council, calling for a tidy up.

Getting things done – Roseangle #dundeewestend

Residents have complained to me that the small lane to the east of of 29 Roseangle is so overgrown it is almost impossible to go up it.

I raised this with the City Council's Roads Maintenance Partnership get the foliage cut back and this has now been done.

As residents know, councillors were not able to hold their weekly ward surgeries at schools and libraries since the start of the COVID-19 health emergency, but I am pleased to advise of the one new weekly ward surgery I am now able to start.

From today – Tuesday 14th September – and during school term times, my new surgery time and location is :

Tuesdays at 3.30pm prompt at Blackness Library

All welcome and no need to book. The library has appropriate safety measures in place to ensure a COVID-safe environment, including hand sanitisers and use of face coverings.

Unfortunately, due to COVID-related restrictions and venue availability, my very long-standing surgeries at Blackness Primary School's staff room and at the Mitchell Street Centre will no longer be possible.

However, once access to school premises for councillors' surgeries is again

permitted with COVID restrictions easing, I hope that, later in the autumn, I will be returning to a surgery at Harris Academy. I hope to also run one at Ancrum Road Primary School.

Both will also take place on Tuesdays – with details to follow.

Getting things done – school crossing patroller – Milnbank Road #dundeewestend

The school crossing patroller on Milnbank Road near Milnbank Gardens recently retired.

Tayside Contracts, who provide the service for the City Council, has not replaced the patroller, saying the crossing does not meet its criteria for allowing a crossing, in terms of pupils using it and vehicle movements.

I am very unhappy about this decision because the crossing is at a crucial location as vehicles come down the hill at City Road towards the site and I feel strongly that a crossing patroller is needed here.

I have therefore put in a formal objection to the removal of the patroller at this location.
