

Getting things done – Dunmore Gardens and Dunmore Drive #dundeewestend

Michael is pictured in Dunmore Gardens. Having long campaigned for road resurfacing for both Dunmore Gardens and Dunmore Drive which are badly deteriorated, we are pleased to advise that resurfacing is now imminent.

The Roads Maintenance Partnership has confirmed that resurfacing works are programmed to commence on Wednesday 9th November, with works expected to take 5 working days.

[Friends of Wighton latest update](#)

Latest Friends of Wighton update from Sheena Wellington about a recital taking place this Saturday in the Wighton Heritage Centre at the Central Library :

On Saturday 29th October at 11am we have a very special and rare treat – a harpsichord recital by Mark Spalding.

The Wighton Harpsichord is a French double-manual instrument after the C18 maker Nicholas Blanchet, built by Mark Stevenson, Cambridge 1983.

Mark Spalding is a first class player who has been tending the instrument with loving care.

All welcome!
