[Getting things done – Abbotsford Place #dundeewestend](#)

As residents will gather, much of my large amount of current contact from constituents at present is around issues related to the current health emergency and I am always very pleased to assist anyone in the West End in any way I can.

I would, however, add that day to day issues unrelated to the current COVID-19 emergency continue and I am happy to report these. Residents do appreciate that non-urgent matters will be attended to by council departments after the current health emergency has passed.

Residents have reported to me the need for a wee repair required to one of the street signs in Abbotsford Place :

As one resident put it, “On a lighter note perhaps when we get back to some normality we can have our street sign correctly spelt? It reminded me when the Loons Road one was redone the foot of the road was Loon’s Road.”

I have reported the sign to the Roads Maintenance Partnership and it will be attended to once services return to more of a degree of normality after the health emergency is hopefully passed.

COVID-19

Information updates from
Councillors Craig Duncan
and Fraser Macpherson

Further update – for Sunday 12th April 2020 from Councillor Fraser Macpherson and Councillor Craig Duncan :

SHIELDING

After some delay and technical problems with the text service, steps have been taken to protect people with the highest clinical risk – the ‘shielded’ group.

144,000 people have now been sent a letter. As people are newly diagnosed, or if clinicians feel it is required, the NHS will continue to add to the central list.

Councils, GPs and health boards will be told who is on the shielding central list.

The letter invites them to register by text. Over 24 000 people have registered so far.

Those in the ‘shielded’ group can request grocery boxes to be sent to them, free of charge. Dundee contact number – 0300 123 1403 (08:30 to 17:00). The out of hours urgent requests number is 01382 307964.

Supermarkets will provide priority delivery slots starting this coming week. People who have registered for the SMS service were sent a text on the 9th April asking if they would like their details passed to the supermarkets. Thousands have signed up already.

NHS STAFF LISTENING SERVICE

A new Staff Listening Service is available and provides a space for staff to confidentially reflect on their experience and consider how the current situation affects them personally and professionally voice their concerns, worries and hopes without criticism.

FINANCE

There’s new guidance for mortgage providers on payment holidays for consumers in financial difficulties and use of repossession during this period:
