

Riverside Nature Park event #dundeewestend

The next Friends of Riverside Nature Park event – a Wild Flower Wander at the park – will be on Sunday 7th July from 1pm to 3pm.

Come and enjoy this visual delight and see what other wildlife is living in the park :

Friends of Riverside Nature Park **A WILD FLOWER WANDER**

AT RIVERSIDE NATURE PARK

ON SATURDAY 7TH JULY FROM 1-3 PM

The meadows, woods and marshy ground in the Nature Park are full of colour at the moment with over 150 species of flowering plant recorded so far. Greater Yellow Rattle, introduced under licence, is flowering for the first time as we establish Scotland's third population of this rare plant. Bees, Butterflies and hosts of other insects take advantage of all this bounty. Birds like Skylark, Yellowhammer, Reed Bunting, Whitethroat and Bullfinch are breeding. Join us for a walk around the park with a local expert to look and enjoy all this wildlife.

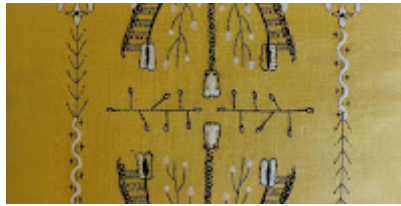

Meet at the Car Park, Wright Avenue.

[Taught Threads – guided tour](#)

As I have previously mentioned, the exhibition **Sew: Together** presents a tribute to textile artist and designer Marion Stewart (née Gracie, 1931-2017), who worked for many years at Duncan of Jordanstone College of Art, where she taught embroidery and stitched textile design to generations of students.

This Saturday – 6th July – from 2pm to 3pm, as part of the exhibition and related events, there will be a guided tour of the exhibition by textile artist Dorothy Walker.

Meet in the Lamb Gallery (Tower Building, University of Dundee) – Free of charge but please book [here](#).

[Lochee Road and Logie Street – road resurfacing #dundeewestend](#)

From the City Council :

Lochee Road (No 70 Logie Street to No 200 Lochee Road) – Carriageway Resurfacing Work

I wish to notify you that work is programmed to commence at the above location on Monday 8 July 2019 and will last for approximately 2 weeks. The contractor for the works is Tayside Contracts.

In the interest of public safety, a road closure will be implemented and through traffic will be diverted via City Road, Tullideph Road and reverse.

On-street parking will not be allowed on the section of carriageway being worked on. Vehicular access to properties with driveways will be maintained although we ask for vehicular traffic movements to be kept to a minimum and advise delays may be experienced.

Please note that pedestrian thoroughfare will be maintained throughout the works.

Bus services will be affected by this closure and I would advise bus passengers to visit www.dundeetravelinfo.com, or telephone the bus operator for further details of diversion routes and alternative bus stops.

Please accept our apologies for any disruption these works may cause. I am sure that you will understand that major road maintenance work is unavoidable and necessitates a degree of inconvenience to road users.

If you have any queries regarding this matter please call 834126.

Garden and Allotment Competition 2019

Entries are now welcome for 2019's Dundee City Council Garden and Allotment Competition.

Whether you have a garden, window box or a community space, there's a category for you!

You can read more [here](#) – entries close 19th July.
