REPORT FOR WEST END WARD – WEEK COMMENCING MONDAY 29 JANUARY 2018

A85 Riverside Drive – prohibition of right turn from westbound lane of Riverside Drive into Riverside approach and prohibition of right turn from Riverside Approach into Riverside Drive for one week for works to the sea wall. Prohibitions will only be in place when required.

Riverside Drive at Dundee Railway Station – eastbound nearside lane closure for 6 weeks for footway works.

Tullideph Road (at City Road) – lane closure for one week for Scottish Hydro Electric cable works.

Forthcoming Roadworks

Lochee Road (Polepark Road to Gardners Lane) – closed on Sunday 11 February for Scottish Water reinstatement works.

Glamis Road * (Blackness Road to Dickson Avenue) – off-peak (7.30pm – 6.30am) temporary traffic lights on Thursday 15 and Friday 16 February, then closed from Monday 19 February for up to 10 days for footway and tree works.

* Glamis Road at this section was originally to be closed from Monday 29 January for 10 days for forestry and footway works. I queried both residents' access and bus diversion arrangements and on the latter matter, the council decided to put back the works to mid-February to enable discussions and agreement with the bus companies on diversions for the services 5, 73 and 204. I will do an update on this closure in the next few days.

[Handrail extension – Pennycook Lane – now in place #dundeewestend](#)

In September, [I highlighted](#) that, at the request of residents, I had asked the City Council to add a short extension to the handrail down the east side of the pavement of Pennycook Lane – at Pennycook Court sheltered housing – so the rail would go right down to the flat pavement of Perth Road.

I am pleased to say this was agreed to and has now been installed – see below :
