[Union Place Car Park #dundeewestend](#)

Further to my recent article about the lack of maintenance of the Miller's Wynd Car Park, residents have also pointed to the poor condition of the infrastructure of the council's Union Place car park – see photos below :

I have raised this with the City Council and Neighbourhood Services' Projects and Development Manager has advised :

"We are currently reviewing all soft landscaping within all the car parks with a view to carrying out improvements in terms of sight lines, aged plantings , tree works etc .

We are pulling this together and working (to) ... hopefully having works planned for over the winter months."

Road issue – Elliot Road **#dundeewestend**

Residents have drawn to my attention an apparently forgotten road excavation in Elliot Road – see below :

I have asked the City Council's Roads Maintenance Partnership to ascertain responsibility – I suspect a utility – and request this gets completed as soon as possible.
