## #dundeewestend

Having [updated residents](#) over the past few years over the council's proposals to improve the tennis courts at Victoria Park, it is great to see the new tennis courts now complete and looking great!

There's been very positive feedback from constituents. "Before" and "after" photos below :

I'm pictured a few years ago at the old tennis courts – above

The new tennis courts are a very substantial improvement

## [Draft Local Outcome Improvement Plan – Consultation](#)

From the Dundee Partnership Team :

### **Our plans to improve Dundee**

The Dundee Partnership is determined to make Dundee a more successful and fairer city and we've been preparing our ideas and plans about how we will do this over the next ten years.

We've prepared a [draft Local Outcome Improvement Plan for 2017-26](#) that builds on the ongoing extensive community engagement undertaken by partners and agencies across the city. It also incorporates the results of the [Engage Dundee](#) process. So we've been listening carefully to your views and we hope that this plan shows that we know what your priorities are. Read the draft [here](#).

But this is still a consultation draft so at this stage we are describing our city, the economic and social outcomes we are determined to achieve, and

setting out our priorities for action.

Over the next few months we will be collecting the most accurate and informative performance indicators to help us map out our progress and setting targets to stretch us to do better. Our final version will be published by October 2017.

We are already thinking about some of the ways we can improve it by doing things like –

- making it shorter and clearer
- summarising our strengths and achievements as a city as well as the challenges we face
- pulling out lots of information that is in other plans and providing links to them instead
- saying more about how the third and private sectors do and will contribute to improving Dundee
- spelling out our ideas around green spaces and biodiversity

Please let us know what you think by 18 August. To gather your views, we've prepared a feedback form that can be found on the Dundee Partnership website [here](#), it can be completed online or downloaded for completion and emailed to us at [dundee.partnership@dundeecity.gov.uk](mailto:dundee.partnership@dundeecity.gov.uk) or hard copies posted to Dundee Partnership Team, Floor 4, 5 City Square, Dundee, DD1 3BG.
