Tayside MS Therapy Centre – volunteers wanted!

I recently visited the Tayside MS Therapy Centre in Peddie Street to discuss a number of local issues with the team. I have been asked to advertise the following notice for HBO Chamber Operator Volunteers that the centre has recently issued :

HBO Chamber Operator Volunteer

Due to the retirement of 2 long serving volunteers, we are now recruiting for Chamber Operator Volunteers

(To comply with operator guidelines, the minimum age is 18)

This is an opportunity to undertake a satisfying and rewarding role as part of our team of trained volunteer operators, working in our friendly therapy centre while providing an extremely useful and appreciated service to the community.

We are looking for people who are physically fit, friendly, caring and available for a couple of hours (ideally early evening, but hours variable to suit) and who are willing to undertake appropriate training to be capable of operating our HBO Chamber along with a second, back-up, operator. This is a very important role involving following simple documented procedures, which meet Health & Safety requirements while providing a secure and relaxed atmosphere for people undergoing treatment. Involvement can be on a regular, relief, back-up or emergency basis.

The charity operates a volunteer policy which provides a two-part agreement, that volunteers attend any relevant training sessions to ensure they are confident and comfortable in their role(s) and that we are providing the best possible service for our members while meeting legislative requirements such as Health & Safety and Data Protection.

Please feel free to get in touch or pop in to see us and find out what we do.

Blether Tay-Gither – Storytelling in Dundee

From [Blether Tay-Gither](#) :

Our May Blether will be on Tuesday 30th May 2017 at 7pm in Madigan's Food Emporium and Bookshop, Castle Street.

The theme this month is "The rites of Spring."

Hope to see some of you there – all welcome!

The Shrubbery – 200th Anniversary

Celebrating the 200th anniversary of The Shrubbery, Elaine Kuwahara is opening her beautiful garden on Magdalen Yard Road for three days, with all proceeds to charity, including Friends of Camperdown House and Scotland's Gardens.

The opening will be on Friday 26th May by former Lord Provost John Letford and the event will run until Sunday 28th May.

Home of famed Dundee artist McIntosh Patrick for many years, the garden and house were the subject of several of his paintings. The Georgian townhouse was designed and built by Dundee architect David Neave in 1817.

The garden has been sympathetically restored to McIntosh Patrick's time and features mainly herbaceous perennials and shrubs. It also includes surviving fruit trees from its original layout as a working garden. There is a pond with goldfish and koi carp.

Don't miss it – more details [here](#).
