

Dundee City Transmission Cable Replacement Project – an update

From Scottish and Southern Electricity Networks – regarding the high voltage cable replacement project – area from Lochee Road to Logie Avenue :

“As you’ll be aware the Dundee City Transmission Cable Replacement project commenced on 6 March 2017 and is progressing according to programme.

Below is an update in relation to the works and roads affected by these as at w/c 20 March :

- **Lochee Road, Joint Bay 1/2 – Road remains open to traffic who are able to pass with care**
- **Lochee Road, Joint Bay 2/3 – Traffic management system sees the sequencing of traffic lights staggered to accommodate single direction traffic as at 13/03**
- **Fleucher Street, Joint Bay 3/4 – Fleuchar Street will close w/c 20 March. A diversion is in place and will take approximately 1 minute by car. Local access for residents, pedestrians, cyclists etc will be maintained during this closure.**

I’d also like to give you a bit of notice regarding abnormal load deliveries to our lay down site at Brown Street. There will be cable drum deliveries to this site between 29 – 31 March where parking at Brown Street between Douglas Street and Miln Street will be temporarily suspended during short periods of time.

Traffic will be managed by Contraflow who will remain on the ground during these periods. I am currently awaiting confirmation of the vehicles’ route from the Dock and also timings, when I am in receipt of this information I will be certain to pass it on to you.”

I will keep residents updated as I hear further from Scottish and Southern Electricity Networks.

Friends of Wighton update

With thanks to Sheena Wellington, here’s the latest update from Friends of Wighton :

**Wighton Heritage Centre, Central Library – Saturday 18th March at 11am
(doors open 10.30am)**

Cappuccino Concert with singer/songwriter Bob Knight

Bob Knight is a singer from Aberdeen who has slowly but surely been making a name for himself in the world of folk and traditional music. He comes from a long line of traditional singers and musicians, and is related to many of the great traditional singers from North East Scotland.

He is well known in North East Scotland folk circles as a singer and writer of songs in traditional style, having performed at most of the local clubs, and festivals, including many events at Aberdeen University's Elphinstone Institute.

Bob doesn't just confine himself to his home patch though, and has played all over Scotland, including Edinburgh Folk club, The Scottish Storytelling Centre, (Edinburgh) The Rolling Hills Folk Festival in Melrose, the Portsoy Boat Festival, Dougie McLean's Perthshire Amber festival, and Celtic Connections in Glasgow. In August 2012 and then again in 2013, he performed in a series of highly successful concerts at the prestigious Whitby Folk Week, in Yorkshire.

In August 2013, Bob released his second CD, "Songs From My Tradition," this time ringing the changes by recording Scottish traditional unaccompanied songs. Future projects include another CD, of Scottish folk favourites, "Fields Of Home," recorded with his brother Willie Knight, and the eagerly awaited third solo album, which will feature Bob's best known and requested original songs.

Tickets £5 at door. Tea/coffee available for small donation.
