## Getting things done – Magdalen Green #dundeewestend

Residents recently highlighted to us that the notice boards on Magdalen Green badly need cleaned and also really ancient out of date notices (eg evening classes spring 2021!) need removed. See photo below :

We raised this with the council's Head of Environment who has promised this will be attended to.

---

## Getting things done – Perth Road #dundeewestend

We recently received complaints about the poor condition of the tactiles at the crossing point on the south side of Perth Road just west of Shepherd's Loan. See photo below :

We raised this with the Roads Maintenance Partnership Manager who has responded positively below :

**“With regard to the worn stick down tactile slabs, we will look to replace the damaged items in due course.”**

---

## Getting things done – Annfield Street #dundeewestend

Residents have complained to us that foliage from the trees in the Peddie Street industrial area is significantly impeding the pavement on the south side of Annfield Street – see photos :

We have therefore asked the council's Roads Maintenance Partnership to contact the site owners to have the foliage cut back.
