

Our thoughts are with families and businesses impacted by the devastating flash flooding in Cornwall – Holly Lynch

“Our thoughts are with families and businesses impacted by the devastating flash flooding in Cornwall.

“I would like to pay tribute to our emergency services for their work and for everyone providing support to those affected at the multi-agency centre in Truro.

“Labour is calling on the Government to match its words with actions: to ensure that the Cornwall Fire & Rescue Service are provided with all necessary resources and that businesses and residents receive the support they need in the aftermath.

“In the longer term, the Government must ensure that its strategy on climate change mitigation and flood defence is fit for purpose and that climate change is not brushed aside as an afterthought during the Brexit negotiations, leaving communities to pick up the pieces.”
