

Pembrokeshire company awarded £5.8m contract for new fisheries patrol vessels

The awarding of the contract follows a competitive international bidding process and means the vessels will be built in Wales, by a local company and provide skilled employment in Pembrokeshire.

The new vessels will replace the current ageing boats, to effectively protect from illegal fishing activity in Welsh waters and safeguard Wales' fishing industry and coastal communities in the years ahead.

Since its inception in 2014, Mainstay Marine has safeguarded 30 jobs and created 50 new positions, with 98% of its employees based in Pembrokeshire. The company also employs 10% of its direct workforce as apprentices.

The Cabinet Secretary for Environment and Rural Affairs, Lesley Griffiths, announced the contracts during a visit to Mainstay Marine Solutions' facilities in Pembroke Dock to see the workshops where the vessels will be built.

The Cabinet Secretary said:

“The Welsh Government takes very seriously its responsibility for managing and protecting Welsh seas and it's important we have the capability to do this. I am pleased we are replacing our ageing fleet and proud a Welsh company has been successful in winning the contract to complete this work.

“Mainstay Marine Solutions has shown a commitment to up-skilling and developing its workforce locally and it is anticipated the continued success of the company will help create further jobs locally, which is excellent news for the local economy.”

Philip Hilbert, Sales Director of Marine Specialised Technology Limited, based in Liverpool said:

“We are delighted to be part of this prestigious project supplying the Cabin RIB which is a flagship project for us. Fisheries enforcement is a key market for us and this craft will be the pinnacle of small craft technology.”

The awarding of the contract to Mainstay Marine Solutions follows a European-wide competitive procurement exercise.

The replacement vessels are expected to be in service by Autumn 2018. It will include a 26m Mono-hull Patrol Vessel, South Fisheries and a 19m Catamaran Patrol Vessel, North Fisheries.
