

Pennycook Lane – great work by Blackness Primary School #dundeewestend

The area of former spare ground on the south side of Pennycook Lane opposite Blackness Primary School is looking great – see below :

As one of the residents in the nearby sheltered housing advised : “Can I just draw your attention to the wonderful job the staff at Blackness Primary (with the help of the children, I think) have done with the spare bit of ground. It looks really good and they should be commended for it.”
