

[Phase II of Kai Tak Station Square officially opens Sunday \(with photos\)](#)

The Leisure and Cultural Services Department (LCSD) announced that the newly built Phase II of Kai Tak Station Square (KTSS) in Kowloon City District will officially open for public use starting this Sunday (December 17).

To attract more visitors to experience and learn about this new leisure facility, the Kai Tak Station Square Kick-off Carnival will be held from 10am to 2pm on that day. The public will be offered free admission to a large range of activities including new sports (spikeball and mölkky), body-mind stretching, aerobic dance, and photo-taking with LCSD mascots Enggie Pup and Artti Kitty. Public participation is welcome.

Occupying about 8.5 hectares at the north apron of the former Kai Tak Airport, Phase II of the KTSS is located at the heart of Kai Tak town centre. It provides a quality open plaza with spacious lawn and water features. Moreover, a variety of recreational facilities are available to meet the needs of people of all ages, including two children's play areas, fitness equipment for people of different ages and a Tai Chi plaza. As well, two lawn bowls greens will be opened in the first quarter of 2024. It also serves as an inclusive park for pets which can enable park users with or without pets to enjoy park facilities together in an inclusive environment.

Members of the public who plan to visit the KTSS can walk from Exit D of the Kai Tak Station, or take various bus and minibus routes there. For enquiries, please contact the Kowloon City District Leisure Services Office of the LCSD at 2711 0541 during office hours.
