

Police Force to hold “United We Stand” exhibition at Yuen Long Theatre from tomorrow

The Hong Kong Police Force will organise an exhibition entitled "United We Stand" at Yuen Long Theatre from tomorrow (November 12) to November 16, 2021.

The exhibition aims at encouraging the community to put aside differences, not to be misled by unfounded information, and join hands with the Force to build Hong Kong's future. It also demonstrates that the aspirations of the Force remain unchanged. It will continue to protect people's lives and maintain law and order in the spirit of "Honour, Duty and Loyalty". The Force organised the first "United We Stand" exhibition in Tsim Sha Tsui in July this year.

The exhibition is divided into four thematic zones, namely "Know the Facts", "The Time Tunnel", "Police Voice" and "Gratitude From Community". Police officers from special units will also be present to take photos with the participants. For details, please visit the Police Public Page (www.police.gov.hk/info/doc/United_We_Stand_en.pdf).

The exhibition is open daily from 9am to 10pm. Members of the public are invited to visit the exhibition and admission is free.
