

Police launch Anti-Deception Coordination Centre website

The Anti-Deception Coordination Centre (ADCC) of Police's Commercial Crime Bureau today (April 1) officially launched a website "ADCC One-stop Platform" (www.adcc.gov.hk) to enhance publicity of anti-scam messages in a bid to fight against and prevent deception.

The website provides a variety of useful information:

- scam alerts on latest deception trend;
- anti-scam promotional videos produced by the Force;
- anti-deception events calendar with anti-scam activities organised by the Force, other government departments and non-profit-making organisations;
- statistics of various kinds of scams; and
- the work of ADCC.

Members of the public can also make use of the "e-Report Centre" link provided by the website to report deception cases to the police.
