

# Policy paper: Progress towards the sustainability of the building stock in England: sixth Parliamentary report

*Updated:* Erratum: “Metric tonnes” on page 8 should read “million tonnes”. This has been corrected in both downloads of the report.

Section 6 of the [Sustainable and Secure Buildings Act 2004](#) requires a biennial report on the sustainability of the building stock in England.

This current report covers progress between November 2014 and November 2016 (unless otherwise stated) in relation to:

- furthering the conservation of fuel and power
- preventing waste, undue consumption, misuse or contamination of water
- furthering the protection or enhancement of the environment
- facilitating sustainable development
