

Post Office compensation

I am glad the government has now signed off on a compensation scheme for Post Office managers wrongly accused and badly treated by the Post Office over the introduction of the Horizon computer system. Some were made to pay large sums to the Post Office they did not owe and some were falsely accused of fraud. Many lost their businesses and some faced criminal convictions for things they had not done.

This was a shameful incident and it has taken time for the Post Office and its government owner to do the right thing.
