

Postal services to Vietnam partially suspended

Hongkong Post announced today (August 25) that the postal administration of Vietnam has advised that its operation in processing inbound mail will be adjusted according to tightened pandemic control measures. In the meantime, the following services will be temporarily suspended until further notice:

- Airmail and surface mail services to Vietnam; and
- Surface mail service to Cambodia as mail needs to transit via Vietnam.

â€‹

Members of the public may continue to use the Speedpost service for posting to Vietnam.

Members of the public may visit the web page of Hongkong Post at www.hongkongpost.hk/en/about_us/whats_new/notices/index_id_1077.html on the service availability for overseas destinations.
