## Mission

Pursuant to Executive Order 13799, the Commission shall, consistent with applicable law, study the registration and voting processes used in Federal elections. The Commission shall be solely advisory and shall submit a report to the President that identifies the following:

(a) those laws, rules, policies, activities, strategies, and practices that enhance the American people's confidence in the integrity of the voting processes used in Federal elections;

(b) those laws, rules, policies, activities, strategies, and practices that undermine the American people's confidence in the integrity of the voting processes used in Federal elections; and

(c) those vulnerabilities in voting systems and practices used for Federal elections that could lead to improper voter registrations and improper voting, including fraudulent voter registrations and fraudulent voting.
