

[Press release: British High Commission hosts the Commonwealth Big Lunch in Dhaka](#)

Dr. Shirin Sharmin Chaudhury MP, Honourable Speaker of the Bangladesh Parliament attended as Chief Guest and the event brought together 150 people including the High Commissioners of Malaysia, Brunei, Canada and Sri Lanka, and Acting High Commissioners of Australia and Pakistan, representatives from the university and education sector, NGOs and civil society, medicine, businesses, Bangladeshi Queen's Young Leaders and Points of Light award winner and the British Council's Active Citizens.

The lunch celebrated the diversity and achievement of the Commonwealth and this year's theme of 'towards a common future', with themed discussion of education, business and trade, women empowerment and girl's education, climate change, health and working children.

This lunch was one of a series held across the Commonwealth – launched by the Eden Project in partnership with the UK Government – between 12 March, Commonwealth Day, and 22 April to mark the 2018 Commonwealth Heads of Government Meeting when Government leaders and representatives and civil society representatives from 53 countries will gather in the UK to work together to address shared global challenges.

British High Commissioner Alison Blake CMG said:

“The idea behind the Big Lunch is a simple one: to bring together friends and partners to celebrate being part of the Commonwealth, to draw on our diversity, our strengths and our shared values and to enjoy a meal in each others' company. I was delighted that so many of our colleagues and friends and partners joined us. Bring together a group of talented high achievers, committed to working every day to build a safer, more prosperous and fairer world, and you start a series of the discussions and new connections that fire the imagination and turn a simple meal together into something very special.”

The previous day, 17 April, the British High Commissioner hosted an evening reception to celebrate the Birthday of Her Majesty Queen Elizabeth II, at which Khandker Mosharaf Hossain, MP, Hon'ble Minister for Local Government, Rural Development and Co-operatives, was the Chief Guest.
