

# Press release: Fines over £7,000 handed to 11 anglers for fishing illegally

On the 21 December, Northampton Magistrates' Court heard how the anglers were caught fishing illegally at pools in Bulkington, Worcester, Market Bosworth and Earlswood. The court issued combined fines of £7,113.

Overall, the anglers were given higher than average fines with the highest total fine of £853 given to an angler from Redditch for fishing illegally at Weston Lawns in Bulkington. This is over 28 times more expensive than an annual £30 licence.

All the anglers were caught fishing without a rod licence by Environment Agency officers out on regular patrol. None of the accused appeared in court, so all were found guilty in their absence.

Scott Dalton of Redstone Lane in Stourport on Severn, Christopher Beasley of Princes Avenue in Nuneaton, Christopher Kennedy of Middleton Hall Road in Birmingham, Jason Glover of King Charles Avenue in Walsall, Daniel Soar of Leicester Street in Bedworth, Shane Mctigue of The Laurels in Bedworth, Louis Kane of Cartmel Close in Liverpool, David Webb of Langley Close in Redditch, Daniel Wells of Mile Tree Lane in Coventry, Paul Lawless of Parbrook Road in Liverpool and Darryl Plimbley of Gospel Oak Road in Coventry were all found guilty for fishing without a licence under Section 27(1)(a) of the Salmon and Freshwater Fisheries Act 1975.

Andrew Eardley of the Environment Agency said:

We're continuing to see anglers receive significant fines for fishing illegally which is why I can't understand the reasons some anglers continue to flout the law and risk prosecution for fishing without a licence. A licence costs just £30 and now lasts for 12 months from the day you buy it.

Most anglers fish legally and are happy to have their licence checked, the minority that fail to buy a fishing licence are cheating their fellow anglers and the future of the sport. Fishing licence cheats risk a criminal conviction, a significant fine and could lose their fishing equipment.

With most anglers fishing legally it seems ridiculous the minority still risk a significant fine like these we've seen here.

Money from fishing licence sales is invested in England's fisheries and is used to fund a wide range of projects to improve facilities for anglers including protecting stocks from illegal fishing, pollution and disease,

restoring fish stocks through re-stocking, eradicating invasive species, and fish habitat improvements. Fishing licence money is also used to fund the Angling Trust to provide information about fishing, to encourage participation in the sport and to manage a voluntary bailiff scheme.

Children under 12 fish for free. Anyone aged 12 to 16 also fish for free, but do need to have a valid Environment Agency fishing licence. Anyone over 16 must pay for an [Environment Agency fishing licence](#) to fish for salmon, trout, freshwater fish, smelt or eel in England.
