

[Press release: Foreign Secretary statement on release of Andargachew Tsege](#)

Foreign Secretary Boris Johnson said:

I am pleased Andargachew Tsege is now able to reunite with his loved ones after being separated from them for so long.

His case has been a priority for the Foreign and Commonwealth Office, and our staff have worked tirelessly to support him and his family throughout his detention.

Recent moves by the Ethiopian Government send a positive signal that they remain serious about following through with promised reforms to increase political space.
