

[Press release – Fundamental rights in Hungary: debate with Timmermans and Orbán](#)

On Wednesday from 15.00, MEPs will discuss the fundamental rights situation in Hungary with Commission First Vice-President Frans Timmermans and Prime Minister Viktor Orbán.

Political group leaders and MEPs will take the floor to give their views on a new law, perceived as targeting the Central European University, media pluralism, the independence of the judiciary and the tightening of rules for non-governmental organisations and asylum seekers.
