

Press release: ICC Arrest Warrant for Major Mahmoud al-Werfalli in Libya: Joint Statement on Libya by the Governments of France, the United Kingdom, and the United States of America

Joint Statement on the ICC Arrest Warrant for Major Mahmoud al-Werfalli in Libya

The governments of France, the United Kingdom, and the United States welcome the announcement on August 17 by the Libya National Army (LNA) that it will investigate reports of unlawful killings in Benghazi. We note that the LNA has recognized the arrest warrant by the International Criminal Court prosecutor for a member of the LNA, Major al-Werfalli and are encouraged by the LNA's decision to suspend Major al-Werfalli pending an investigation. We call on the LNA to ensure that the investigation is carried out fully and fairly; and those responsible for the unlawful killings are held to account.

We are monitoring ongoing acts of conflict in Libya closely. Those suspected of committing, ordering, or failing to prevent unlawful killings and torture on all sides must be fully investigated and held accountable, as appropriate. We will continue our efforts at the international level to pursue appropriate action against those who are complicit in violations of international human rights law or international humanitarian law, whatever their affiliation. We consider that it is in Libya's interest to be able to rely on unified security forces responsible for the country's security and acting within the framework of Libya's laws and respecting international law.

The governments of France, the United Kingdom, and the United States also reaffirm their support for the Government of National Accord. We underscore the importance of the United Nations' central role in facilitating Libyan-led political dialogue, welcome the appointment of the new Special Representative of the Secretary-General Ghassan Salamé, and look forward to supporting his efforts to facilitate a political solution in Libya.
