

Press release: Macedonia forms a new government

Following the long-standing political crisis in Macedonia, Prime Minister Zoran Zaev has now formed a government.

Minister for Europe, Sir Alan Duncan said:

We congratulate Macedonia on forming a new government. This is an opportunity for the whole country to come together in the interests of all the citizens of Macedonia and the wider region. We are looking forward to working with the new government as it implements important reforms, in particular to strengthen the rule of law and accountability and make progress towards its goal of closer integration with Euro-Atlantic institutions.
