

Press release: Partners work together on day of action along Norfolk river

Following complaints over several months from Norfolk Broads residents living along the River Yare in Norwich about illegal fishing, littering and general anti-social behaviour, Environment Agency Fisheries Enforcement Officer Nick Beardmore took action. He raised the matter with partners including Norfolk Police and the Broads Authority at the monthly Norfolk Police Broadsbeat Partnership meeting.

As a result a multi-agency day of action was arranged for the Heron Island area, led by the Norfolk Police Broadsbeat team. The day saw new information signs installed, a big clean-up of the area and rod licence checks carried out.

Nick Beardmore said:

The residents were overwhelmed with the support they received and I want to thank everyone who joined us on the day, which was a real success. Hopefully the problems encountered in the past won't be repeated.

Norfolk Police Broadsbeat officers Derek Rutter, Martin Chapman, Paul Bassham and Amy Barrell used 2 police boats to transport everyone over to the island and carry out hi-visibility patrols along the Rivers Wensum and Yare. They also explained their role to the cadets, who were split into 3 groups and rotated throughout the day.

Broadsbeat officer PC Paul Bassham said:

It was recognised that if we didn't all pull together to tackle the emerging issues, the problems would continue to escalate once the weather turned warmer. This would take up valuable resource time and make life miserable for residents around Heron Island.

PC Barrell co-ordinated the follow-up response, supervising North Norfolk and Broadlands Police Cadets, and Officers Tina Wright, Peter Davison, Andy Mason and Ian Kennedy while they cleared the area and installed the new signs. The team worked alongside Broads Authority Rangers, local residents, a tree surgeon and the Environment Agency throughout the day.

Environment Agency Enforcement Team Leader Lesley Robertson said:

Working together in this way means we can pool our resources and tackle a number of issues at the same time. I am very pleased that

local residents felt supported and urge anyone with information about illegal fishing activities to report it to our 24-hour Incident Hotline on 0800 80 70 60.
