

[Press release: Planned road works in the North West: summary for Monday 23 to Sunday 29 January 2017](#)

The following summary of planned new and ongoing road improvements over the coming week is correct as of Friday 20 January and could be subject to change due to weather conditions or unforeseen circumstances. All our improvement work is carried out with the aim of causing as little disruption as possible. Drivers looking for roadworks information (such as overnight carriageway closures) for individual schemes should now [visit Traffic England](#).

Some of our larger schemes have project pages giving other information. These can now be accessed from [a dedicated regional page](#).

M6 junctions 16 to 19: Cheshire smart motorway

Work is underway to upgrade the M6 to a smart motorway between Crewe and Knutsford, converting the hard shoulder to an extra lane and introducing new variable speed limits. The project is due to be completed in spring 2018. The northbound carriageway is due to be closed overnight (10pm to 6am) between junctions 18 and 19 on Wednesday 25 and Thursday 26 January. A diversion will be in place.

The closures are as follows:
