

Press release: PM meeting with the First Minister of Wales: 3 April 2019

A Downing Street spokesperson said:

The Prime Minister and First Minister of Wales met to discuss the next steps in reaching a consensus in Parliament to allow the UK's smooth and orderly exit from the EU.

The Prime Minister reaffirmed her commitment to working with MPs from across the political spectrum and they agreed that compromises needed to be reached in order to honour the result of the referendum.

She was clear that leaving with a deal remains the best solution to ensure that we deliver on what people in Wales and the rest of the UK voted for.
