

Press release: PM statement on resignation of Robert Mugabe: 21 November 2017

The resignation of Robert Mugabe provides Zimbabwe with an opportunity to forge a new path free of the oppression that characterised his rule. In recent days we have seen the desire of the Zimbabwean people for free and fair elections and the opportunity to rebuild the country's economy under a legitimate government.

As Zimbabwe's oldest friend we will do all we can to support this, working with our international and regional partners to help the country achieve the brighter future it so deserves.
