

Press release: Public exhibitions for A500 Etruria widening

Drivers, business owners and residents are invited to find out more about plans to widen a section of the road that connects the M6 with the city of Stoke-on-Trent.

Highways England is developing a scheme to widen the A500 from two to three lanes between Porthill (A5271) and Wolstanton (A527), helping to reduce congestion and improve journey times.

Highways England will be working in collaboration with Stoke-on-Trent City Council to ensure the scheme will tie in with the local authority's proposed improvements at the A500 Wolstanton junction and the associated access into the Etruria Valley site.

Highways England project manager, Malcolm Mitson, said:

This scheme will improve journeys for people using the A500 by easing the flow of traffic and reducing congestion, making journey times more reliable. And increasing capacity with a third lane will support the growth of the local economy as well as improve safety.

It is proposed the speed limit will be lowered from 70mph to 50mph, for safety and consistency with other parts of the route in urban areas.

It's also proposed to close the public footpaths that run alongside the A500, instead providing an alternative footpath/cycle way at a safer distance from the main carriageway, as well as safe pedestrian access to cross the road at Porthill junction.

The scheme, part of the government's £15.2bn road investment strategy, will take approximately 18 months to complete, with construction starting by spring 2020 and opening to traffic autumn 2021.

People attending the exhibitions will be able to see plans of the proposals, find out more about the scheme and ask questions of the project team.

Highways England will be attending events being run in conjunction with Stoke-on-Trent City Council on:

- Wednesday 15 March, 9am to 3pm, at Middleport Medical Centre, Newport Lane, Stoke-on-Trent, ST6 3NP
- Thursday 16 March, 2pm to 8pm, at Bradwell Lodge Community Centre, Bradwell Lane, Porthill, Newcastle-under-Lyme, ST5 8PS
