

Press release: UK and China sign Memorandum of Understanding on Medicine and Device Regulation

CEO Ian Hudson met with Minister Bi in Beijing.

Dr Ian Hudson, Chief Executive of the Medicines and Healthcare products Regulatory Agency (MHRA) signed a memorandum of understanding (MoU) with the China Food and Drug Administration (CFDA) during a visit to China this week.

This new signing expands on a previous MoU signed in 2014 which focussed on the exchange of safety information on medicines and medical devices to protect patients in the UK, China, and around the world.

Dr Ian Hudson, Chief Executive Officer at MHRA said:

China is a world leader in the market for raw materials for the pharmaceutical industry and closer collaboration with MHRA will support the promotion of innovation, good practice, and protect UK patients.

We operate in a global environment and formalising our international relationships helps strengthen regulatory systems to protect public health worldwide.

The MoU was signed in Beijing's Great Hall of the People with both Prime Minister Theresa May and China's Premier Li Keqiang present.
