

Press Releases: Escalation of Violence Over Israel

Press Statement
Heather Nauert

Department Spokesperson

Washington, DC
February 10, 2018

The United States is deeply concerned about today's escalation of violence over Israel's border and strongly supports Israel's sovereign right to defend itself.

Iran's calculated escalation of threat and its ambition to project its power and dominance, places all the people of the region – from Yemen to Lebanon – at risk. The U.S. continues to push back on the totality of Iran's malign activities in the region and calls for an end to Iranian behavior that threatens peace and stability.
